Subject: Conference call with ODEQ on Wilcox
Date: Monday, July 08, 2013 4:11:12 PM

Amy,

The site team met today to discuss Wilcox and would like to have a conference call with ODEQ tomorrow at 2:00 pm. Key points of our discussion today focused on the active seep, potential for removal/opa concerns, and health concerns expressed by the minister. I am going to call the minister today and just touch base and let him know we received a call from ODEQ and that we will be following up with him more in depth. The call in number is 866-299-3188 code 214-665-7356. I will also send an invite.
